

ADVERT:

Project Manager

Salary: £25,000 per annum

Location: Peterborough

Froglife is a national wildlife conservation organisation with a specific focus on the protection of amphibians and reptiles, and their habitats. We are an innovative and dynamic organisation with an excellent reputation for delivering successful wildlife conservation projects.

We are now recruiting for our River Nene Dragon Finder project funded by the Heritage Lottery Fund. This project encompasses a wide range of activities including on the ground habitat creation and restoration work, species surveying, volunteer training and a wide ranging public engagement programme such as boat tours, mapestry (textile) workshops, swimming with dragons sessions and hosting dragon days (community events).

We are seeking an exceptional Project Manager with an active interest in the wildlife conservation sector. The ideal candidate will be an experienced wildlife conservationist coupled with a creative flair and a desire to engage wide ranging audiences into wildlife conservation activities. Excellent networking skills is a vital requirement.

The post holder will be responsible for the line management of a Project Officer and for two trainees over the lifetime of the project. This is a 4 ½ year project and ideally we would like the candidate to remain with this project for the duration.

Applicants must meet the essential criteria as detailed in the person specification.

For a full job description see www.froglife.org/jobs. To apply, please submit a CV (two pages maximum) and a one page covering letter that outlines why you are suitable for this vacancy.
