### Scottish Dragon Finder Trainee

Start date: 1<sup>st</sup> October 2014

Duration: 18 months

Salary: £12,000 per annum

Location: Glasgow

Froglife is a national wildlife conservation organisation with a specific focus on the protection of amphibians and reptiles, and their habitats. We are an innovative and dynamic organisation with an excellent reputation for delivering successful wildlife conservation projects.

Froglife are currently looking for trainee as part of our Scottish Dragon Finder project. Scottish Dragon Finder is an exciting and varied project operating across Scotland, and includes a variety of practical conservation, public engagement and education activities. This traineeship is designed to help someone gain the first step in their career in the conservation sector.

This position is open to anybody, however you must have a demonstrable passion for the natural environment and a desire to work within the conservation sector. A particular interest in herpetofauna and/or environmental education would be an advantage.

For a full job description see <http://www.froglife.org/what-you-can-do/job-vacancies/>. To apply, please submit a CV (no more than two pages in length) and a one page covering letter that clearly highlights why you are suitable for this vacancy.

Please send to Froglife, 1 Loxley, Werrington, Peterborough, PE4 5BW or email to [melanie.hamlett@froglife.org](mailto:melanie.hamlett@froglife.org)
