

**There are less  
ponds so I live...**

**I breathe  
underwater by...**

**I don't get diseases  
because...**

**I can cross roads  
without getting  
squashed because...**

**I can move through  
urban areas without  
being seen because...**

**I can survive in very  
dry weather by...**

**There are less ponds  
so I lay my eggs...**

# I use gardens to...

**I can reach other  
groups of my  
species by...**
