

TOADY WORD ART

Work in pairs to fill an A3 sheet of paper with colourful information about the common toad.

You could include:

- Its name (can you find out its Latin name?)
- A food chain
- What its skin is like
- How it is different and similar to a frog or a newt
- Where it lives
- What it looks like
- If there is a difference between males and females
- How big they are
- Where they lay eggs
- What they do in the winter
- What eats them
- How they cope with predators
- What they eat
- What adaptations they have
- Why they are under threat
- What people can do to help them
