

WORD-ART PROMPTS

Work in pairs to fill an A3 sheet of paper with colourful information about the common toad.

You could include:

- Its name (can you find its Latin name?)
- A food chain
- How is it different and similar to a frog or a newt
- Where it lives
- What it looks like
- Is there a difference between males and females?
- How big they are
- How they lay their eggs
- What they do in the winter
- How they cope with predators
- What adaptations they have
- Why are they threatened
- What people can do to help them

Froglife is a UK wildlife charity committed to the conservation of amphibians and reptiles - working with people, enhancing lives together for a healthier planet.
