

Position: Project Manager – Leaping Forward for Dementia (London)

Salary: £30,000 per annum

Hours: 35 hours per week

Location: Spitalfields City Farm and working from home with frequent travel around London.

Leaping Forward for Dementia aims to enable people living with dementia in London get involved with nature conservation work. This enhances lives through improved confidence, transferable conservation skills and emotional, social and physical wellbeing. Froglife has a growing level of expertise in this field, with successful projects ongoing in Glasgow and Somerset. The post holder will be responsible for continuing and expanding this exciting work for the people and wildlife of London.

This work is funded by City Bridge Trust's Bridging Divides strategy, which supports work tackling poverty, disadvantage, need and inequality.

Deadline for applications: Midday 16 September 2020

Interview date: 30th September 2020, held either online by video conference call, or in person in Lambeth. To be confirmed prior to interview date.
